Features & Benefits

Two in one convenience

The Fisher & Paykel 600mm washer dryer fits into a standard space and does the work of a washer and dryer combined - offering a complete laundry solution.

Complete fabric care

Designed to care for every type of fabric with specialised cycles. Offers low-temperature drying to prevent fabric damage and a reverse-tumble drying action to minimise tangling.

Add a Garment

Add a Garment allows you to pause your wash cycle, add or remove an item, then carry on washing.

Hot spin technology

Hot spin technology reduces moisture content to speed up the drying process - saving time and energy.

Quick cycle times

Wash and dry an average load in three hours or less.

Easy installation

All that's required is a cold water inlet, a drain and power - no venting required.
