

Gas on Steel Cooktop, 90cm

Series 5 | Contemporary

Stainless Steel | Natural gas

All the essentials in a large cooktop, including two wok burners for high heat cooking.

- Five burners including two wok burners
- A flame-failure safety device; if the flame goes out, the gas turns off

DIMENSIONS

Height	54 mm
Width	914 mm
Depth	533 mm

FEATURES & BENEFITS

Precise control

The consistent flame and heat distribution of the burners, including the wok burner, combined with highly responsive dials offer precise heat control. Perfect a slow simmer for sauces or an intense heat for searing steaks.

Easy handling

With flat cast-iron grates, pots and pans can easily be slid across elements, coming in handy in busy cooking environments.

Complementary design

The brushed stainless steel and polished metal trim has been designed for durability but also provides a modern, stylish finish, matching the Fisher & Paykel family of kitchen appliances.

Safe and sound

The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished.

Handy accessories

This cooktop comes with a small pan support and wok stand to complement different cooking styles.

Easy to clean

The stainless steel component is easily accessible and quick to clean. Cast iron trivets provide a durable and stable cooking platform, while rubber feet prevent them from scratching the cooktop.
